| Description | Thermo Amplifier Control Unit |  |
| Application | NISSAN MARCH                  |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0064-00                     |  |
| Description | Thermo Relay                   |  |
| Application | Universal ( For 12V Use Only ) |  |

|             |                   |  |
|-------------|-------------------|--|
| Part Number | OA-0065-00        |  |
| Description | Thermo Relay      |  |
| Application | UD Truck (Taiwan) |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0066-00                     |  |
| Description | Thermo Relay                   |  |
| Application | Universal ( For 12V Use Only ) |  |

|             |                       |  |
|-------------|-----------------------|--|
| Part Number | OA-0067-00            |  |
| Description | AMPC-FAN Control Unit |  |
| Application | NISSAN NEW SENTRA     |  |

|             |                       |  |
|-------------|-----------------------|--|
| Part Number | OA-0068-00            |  |
| Description | AMPC-FAN Control Unit |  |
| Application | NISSAN CEFIRO         |  |

|             |                       |  |
|-------------|-----------------------|--|
| Part Number | OA-0069-00            |  |
| Description | AMPC-FAN Control Unit |  |
| Application | HONDA CRV             |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0070-00                     |  |
| Description | Thermo Control System          |  |
| Application | Universal ( For 12V Use Only ) |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0071-00                     |  |
| Description | Thermo Control System          |  |
| Application | Universal ( For 12V Use Only ) |  |

|             |                                  |  |
|-------------|----------------------------------|--|
| Part Number | OA-0072-00                       |  |
| Description | Thermo Variable Resistant Switch |  |
| Application | Universal (4PVR-12V with LED)    |  |

|             |                                  |  |
|-------------|----------------------------------|--|
| Part Number | OA-0073-00                       |  |
| Description | Thermo Variable Resistant Switch |  |
| Application | Universal ( 2P_VR )              |  |

|             |                                  |  |
|-------------|----------------------------------|--|
| Part Number | OA-0074-00                       |  |
| Description | Thermo Variable Resistant Switch |  |
| Application | Universal (2P_Delica VR)         |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0075-00                     |  |
| Description | One Touch Security System      |  |
| Application | Universal ( For 12V Use Only ) |  |

|             |                                |  |
|-------------|--------------------------------|--|
| Part Number | OA-0076-00                     |  |
| Description | One Touch Security System      |  |
| Application | Universal ( For 24V Use Only ) |  |

|             |                                                          |  |
|-------------|----------------------------------------------------------|--|
| Part Number | OA-0077-00                                               |  |
| Description | Thermo Sensor                                            |  |
| Application | Universal (For Air Conditioning Bus Controller Use Only) |  |

|             |                                         |  |
|-------------|-----------------------------------------|--|
| Part Number | OA-0078-00                              |  |
| Description | Thermo Sensor                           |  |
| Application | Universal ( For Freezer Mode Use Only ) |  |

|             |               |  |
|-------------|---------------|--|
| Part Number | OA-0079-00    |  |
| Description | Thermo Sensor |  |
| Application | Universal     |  |

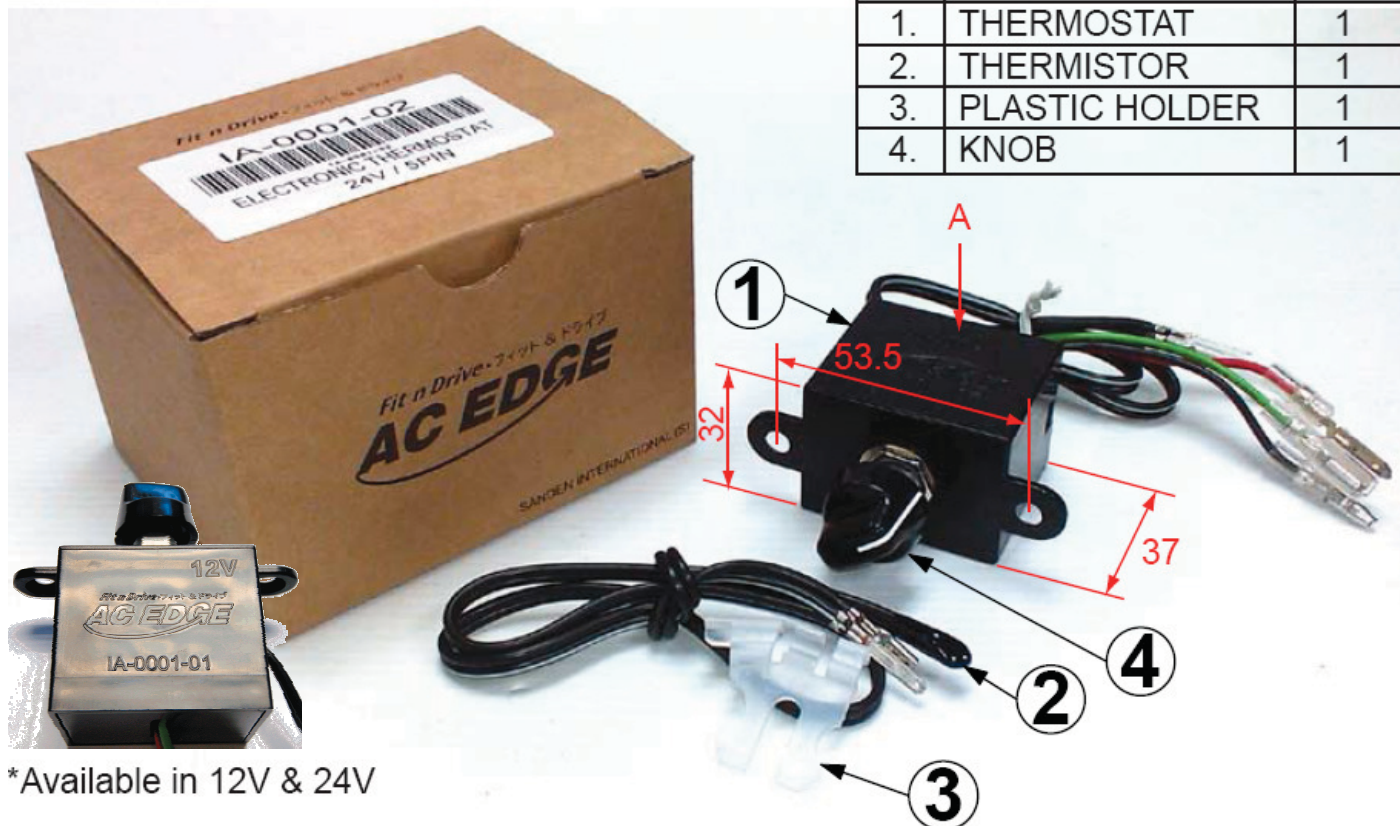

|             |                                                            |  |
|-------------|------------------------------------------------------------|--|
| Part Number | OA-0080-00                                                 |  |
| Description | Thermo Sensor                                              |  |
| Application | Universal ( For Air Conditioning Bus Controller Use Only ) |  |

# THERMOSTAT ( Electronic )

Fit n Drive・フィット & ドライブ  
**AC EDGE**

| NO. | DESCRIPTION    | QTY |
|-----|----------------|-----|
| 1.  | THERMOSTAT     | 1   |
| 2.  | THERMISTOR     | 1   |
| 3.  | PLASTIC HOLDER | 1   |
| 4.  | KNOB           | 1   |

\* Available in 12V & 24V

| Part Number | Description                         | Switch  | Temperature  |               | Packaging              |
|-------------|-------------------------------------|---------|--------------|---------------|------------------------|
|             |                                     | Contact | Cold ON (°C) | Cold OFF (°C) |                        |
| IA-0001-01  | Thermostat 12V / 5 pin without Knob | S.P.S.T | 5±0.5        | 1±0.5         | Bulk Packing           |
| IA-0001-02  | Thermostat 24V / 5 pin without Knob | S.P.S.T | 5±0.5        | 1±0.5         | Bulk Packing           |
| IA-0001-01F | Thermostat 12V / 5 pin with Knob    | S.P.S.T | 5±0.5        | 1±0.5         | Individual Box Packing |
| IA-0001-02F | Thermostat 24V / 5 pin with Knob    | S.P.S.T | 5±0.5        | 1±0.5         | Individual Box Packing |

| Wire Connection |                   |       |
